## A propos

Model United Nations, also known as MUN, is an extra-curricular activity in which each student roleplays delegates from different countries and simulates UN committees. This activity takes place at MUN conferences, which are organized by a high school or college MUN club. It aims to help students develop and solidify their speaking and debating skills along with allowing them to widen their knowledge of The UN functioning.

Le Lycée Eugène Regnault Model United Nations, ou LERMUN, est une conférence annuelle MUN de 3 jours au lycée, organisée par les élèves du Lycée Regnault de Tanger.

Pour sa 1ère édition, du 15 au 17 avril, notre conférence se tiendra en ligne et accueillera une centaine de lycéens de différentes écoles. Nous espérons que nous pourrions accueillir encore plus d'étudiants dans les années à venir et que ce nombre grandira encore plus. Nous sommes ravis et fiers de vous informer que nous sommes l'une des seuls lycées à organiser une conférence MUN entièrement bilingue dans le monde. Cela rend LERMUN encore plus ouvert aux échanges et aux personnes du monde entier en permettant aux étudiants anglophones et francophones de communiquer et de débattre sur de nombreux sujets importants qui secouent les dynamiques géopolitiques dans le monde.

Nous avons tous hâte de vous voir le 15 avril au LERMUN 2021 !

### Lettre d'invitation :

Dear MUN Director,

The Lycée Eugène Regnault is proud to announce the hold of its first MUN conference and would like to share its enthusiasm with all MUN directors. The Secretariat sincerely hopes for you and your students to remain in good health and wishes that the pandemic situation is under control in your areas.

As the first edition of the LERMUN is unveiled with deep warmth, it is also accompanied with worry in sight of the global pandemic our world has been put into. We, as Board Members, have decided for this conference to not be traditional. Aligned

with the global situation, unforeseeable and jeopardizing, the LERMUN is of the opinion that conducting an online conference would be most reasonable. Therefore, the debates, meetings and ceremonies will be carried solely through online communication, from the 15th of April to the 17th of April 2021.

The Secretariat is thereby enchanted to extend to you an official invitation for the first bilingual conference in LERMUN history.

Taking advantage of the digitization of the conference, the Panel came to agreement that both english, and french committees would be put into place.

The conference will use the Greenwich time zone as reference, meaning all scheduled meetings will be referred to GMT (UTC+1). Furthermore, the platform on which LERMUN will be hosted will be communicated as soon as possible.

The directors of the various school participants won't need to worry about expenses for the LERMUN is completely free of charge, the prime goal of our gatherings being fruitful debates and dynamic participation. The Lycée Eugène Regnault aims to be a highly refined conference, where students can expect to find an inclusive, inspiring and challenging environment, promoting coordination and cooperation among all.

If interested in the participation of our conference, the Secretariat will share the registration process noting that applications will remain open until further notice. In order to be always informed, the latest news can also be checked on our Instagram page and on our web site.

Taking everything into account, it would be a pleasure for us to see you at this first session of LERMUN.
